Dear Chris

Thank you for contacting SMPTE regarding the availability of ist standards related to High-Dynamic Range (HDR) imagery.

After carefully reviewing your request, we are pleased to make the following standards free-of-charge, with the objective of furthering the adoption of HDR best practices across the media and entertainment chain:

- OV 2094-0: https://ieeexplore.ieee.org/document/7839882/
- ST 2094-1: https://ieeexplore.ieee.org/document/7513361/
- ST 2094-2: https://ieeexplore.ieee.org/document/7839894/
- ST 2094-10: https://ieeexplore.ieee.org/document/9405553/
- ST 2094-20: https://ieeexplore.ieee.org/document/7523881/
- ST 2094-30: https://ieeexplore.ieee.org/document/7523878/
- ST 2094-40: https://ieeexplore.ieee.org/document/9095450/
- ST 2086: https://ieeexplore.ieee.org/document/8353899/

SMPTE very much looks forward to working with W3C and its members, and welcomes any follow-up questions you might have.

Please send responses and correspondence to svp@smpte.org with cc: to liaisons-chair@smpte.org.

Many thanks & best regards,

Sally Hattori
