PNG WG Meeting Minutes

Jun 10th, 2024

Attendees:

(Alphabetical order)
Chris Blume

Topics & Minutes:

- [Update changes section](#)
- Any updates from ISO TC 42 (Photography) / WG18 (Electronic still picture imaging) [gainmap proposal (ISO 21496-1)](#)? Is our communication still strong? Is there a free public version available?
- A GitHub issue will be created after the meeting to gather consensus for a new Candidate Recommendation snapshot. This snapshot will then be submitted to W3C for final approval.

Action Items:

- CB to create snapshot consensus issue
- CL to submit new CR once snapshot consensus established
