

W3C Transitional Publishing Industry Program (TPI) Summary

Karen Myers
25 January 2019

TPI Program

- Two-year special membership program offered 1 February 2017 to 31 January 2019 to IPDF members in good standing as of January 2017.
- 44 organizations signed up for the TPI program
- In October 2018, conversion opportunities were presented to TPI members via emails, calls, and f2f meetings.
- Change-of-status emails sent out 18-24 January 2019 to three groups: terminations, those continuing as Publishing Business Group participants, and those becoming new members.
- Message to go out 28 Jan. 2019 to public publishing lists reminding participants of status changes effective 31 Jan.
