

This spreadsheet lists the names of the people eligible for duty at the WEBRTC and MEDIACAP meetings.

When you need a scribe, ask for a volunteer; if none, pick the first one from the list who's present. After the meeting is over, mark the scribes with the date of his scribing, and resort on colum B.

New people are entered at random; enter the user, note the number at right, and copy it to column B. Random number: 69
